

## Expert Lecture

## Empowering Women's Health

### Expert lecture addresses on abnormal Uterine bleeding at Suresh Gyan Vihar University

On November 3rd, 2023, Suresh Gyan Vihar University welcomed Dr. Chanchal Sharma from Daffodils by Artemis Hospitals, an esteemed gynecology expert, as part of an educational initiative organized by the Academic Staff College and Student Council. The visit aimed to enhance awareness, share knowledge, and foster discussions about women's health and well-being.

Dr. Chanchal Sharma delivered a captivating keynote lecture covering various aspects

of uterine bleeding, including reproductive health, gynecological conditions, and pre-

ventative care. The interactive Q&A session that followed allowed attendees to engage di-

rectly with Dr. Sharma, seeking personalized advice and gaining a deeper understand-

ing of women's health.

The session facilitated an open and informative dialogue between the expert and the audience, contributing significantly to raising awareness about women's health and empowering the community.

Participants, including healthcare professionals and community members, expressed appreciation for Dr. Sharma's comprehensive and approachable presentation style.

It proved to be a productive session.

## SGVU hosts enlightening session on Mindfulness with Buddhist monk

Suresh Gyan Vihar University had the distinct honour of hosting a Buddhist monk, Venerable Dr. Phong Son Pham, in London as part of an enlightening and spiritually enriching event, "Open House Discussion" on Mindfulness. The visit aimed to foster cultural understanding, promote mindfulness, and provide the university community with a unique opportunity to engage with the teachings of Buddhism. The visit commenced with a serene opening ceremony,

where the monk offered a traditional chant, setting a contemplative tone for the entire

event with a sense of tranquility and mindfulness. He was offered a university uttariya and a floral planter. Venerable Phong Son Pham presented a session on mindfulness, followed by questions and answers. The visit concluded with a heartfelt closing ceremony, during which the Dean, student welfare, expressed gratitude for the monk's session, which emphasized the importance of compassion, mindfulness, and understanding in today's interconnected

world. The visit to the venerable Suresh Gyan Vihar University was a remarkable and enriching experience for all involved. It served as a platform for cultural exchange, spiritual exploration, and academic discourse. The event underscored the university's commitment to diversity, mindfulness, and the pursuit of knowledge beyond traditional academic boundaries."

The session enlightened not only the students but the faculty also.

## Android Fest 2023

**Success with Over 200 Students Immersed in Android Development**

The Android Fest 2023, held on December 16th, proved to be a resounding success, drawing over 200 students from diverse universities.

It was hosted by the Learning Center of Excellence with Google, Suresh Gyan Vihar University, and Google Developer for Android, the event focused on Android development, spotlighting the Kotlin programming language.

The fest was held at Kalindi Auditorium, the fest featured engaging sessions by renowned speakers from the Learning Centre of Excellence and Google. Attendees, representing varied backgrounds and expertise, engaged in knowledge exchange and networking.

The fest, a collaboration fostering tech education, provided hands-on experiences, leaving participants inspired and equipped for the dynamic world of Android development. As the curtains fell, the event marked a milestone, setting the stage for future endeavors in tech education and innovation.

It was a fun learning session for students.

## An Exciting Day at Suresh Gyan Vihar University's Open House for School Students

On December 2nd, 2023, Suresh Gyan Vihar University hosted "Odyssey," an open house event for senior school students in Jaipur.

Students were from various schools explored different workshops, like acro-modeling, medicine-making, and gaming. They even had a fun quiz and watched a short movie called "Pralhad." The day ended with tasty refreshments. The open house not only gave students new experiences but also helped them make friends from different schools.

Everyone had a great time away from the usual school routine.

## SGVU recognized among the Nation's Top 100 Digital Universities

In a grand ceremony held at Jakaranda Hall, India Habitat Centre, Delhi, the Conference on Digitalization of Higher Education witnessed the acknowledgment of the top 100 most digital universities in India.

Suresh Gyan Vihar University emerged prominently, earning accolades and repeated mentions during the glittering event attended by distinguished political leaders, including Mr. Suresh Prabhu, alongside industry leaders, educationists, and sports personalities.

The prestigious recognition was bestowed upon the most digitally advanced 100 universities in India, highlighting their commitment to technological excellence. Dr. TK Jain, representing Suresh

Gyan Vihar University, had the privilege of participating in round tables, meetings, and panel discussions, further solidifying the university's presence in the spotlight.

Dr. TK Jain engaged with vice chancellors and directors from the other 99 recognized universities, fostering valuable

exchanges of ideas.

Additionally, interactions with industry leaders from Amazon, Yangpoo, Gio, ETS, QS, and others enriched the discourse, showcasing Suresh Gyan Vihar University's dedication to staying at the forefront of academic and technological progress.
