International Symposium on Energy Storage Technologies for Sustainable Future, 2024

Cutting-Edge Discussions and Expert Insights Propel Dialogue on Renewable Energy Solutions

The Centre for Renewable Energy & Storage, in collaboration with Shodh lab, successfully organized the International Symposium on Energy Storage Technologies for Sustainable Future, 2024 from 7th to 8th March. Sponsored by DST-SERB and supported by DST Rajasthan, the symposium aimed to foster discussions on cutting-edge energy storage solutions. Distinguished guests, Prof. Pratibha Sharma (IIT Mumbai) and Prof. Takayuki Ichikawa (Hiroshima University, Japan) graced the inaugural ceremony on 7th March, delivering a plenary session on the National Green Hydrogen

Mission and innovative hydrogen storage materials. Over two days, the symposium featured 10 keynote lectures by experts from esteemed institutions such as IIT Jodhpur, CSMCRI-Bhavnagar, and CSIR-NPL Delhi, alongside international speakers from Japan, Slovakia, UK, USA,

Denmark, and more. The event attracted over 70 participants, engaging in 30 oral and 20 poster presentations. The symposium concluded with the announcement of awards for the best oral and poster presentations, along with the recognition of young scientists

during the valedictory session. With its diverse program and participation, the symposium garnered attention from national and international experts, enriching the discourse on energy storage materials for a sustainable future.

GVSET Diploma in Engineering Wraps Up Drone Technology Workshop Successfully

GVSET's Diploma in Engineering program concluded a Drone Technology Workshop at the Maiytree Bhawan seminar hall on March 20, 2024, at 11:00 AM. The workshop, focused on practical insights into drone technology, received support from TechnoS Centre of Excellence (TCoE). Gratitude is extended for their assistance. Attendees benefitted from industry experts' knowledge, gaining a deeper understanding of drone technology.

Building Educators for India's Education Future

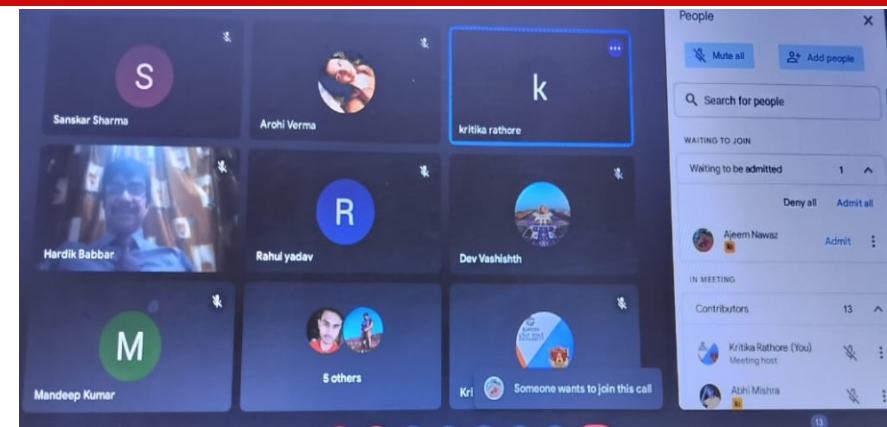

Suresh Gyan Vihar University's School of Education hosted a master class on March 30th on "Professional Development for Future Educators aligned with NEP 2020." Dr. Ayushman Goswami, a leading education

expert, emphasized empowering teachers with Indian values and modern pedagogy, aligning with NEP 2020's vision. The session equipped aspiring educators with skills for the evolving educational landscape.

Suresh Gyan Vihar University Students Sharpen Skills for Competitive Exams in Counseling Session

Suresh Gyan Vihar University Students Sharpen Skills for Competitive Exams in Counseling Session. Students at Suresh Gyan Vihar University (SGVU) geared up for competitive exams during a focused counseling session held on March 20th, 2024, with Dr. Dheeraj Babbar. The session aimed to equip students with the knowledge and strategies needed to excel in their chosen exams. During the session, students openly discussed their aspirations and motivations for

pursuing competitive exams. They highlighted their dedication to their chosen fields and the significance of success for their

future careers. Dr. Babbar was impressed by the students' strong analytical skills and their grasp of core examination concepts.

GVSET's Diploma in Engineering Department Concludes a Two-Day Technical Workshop on Polymer Types and Testing

Hands-on Polymer Workshop for GVSET Diploma Students

The Department of Diploma in Engineering at GVSET recently concluded an enlightening two-day technical workshop on polymer types and testing, catering to both degree and diploma students of engineering. Participants immersed themselves in the diverse realm of polymers, delving into various testing methodologies and standards. The workshop's second day featured an exciting field trip to the Central Institute of Plastic Engineering & Technology in Jaipur. Here, students engaged in hands-on experiences in the chemical lab and petrochemical testing laboratory and witnessed

bio-degradable testing processes adhering to ISO and BIS

standards. Additionally, they gained insights into the tool room

department and processing department, broadening their

understanding of plastic manufacturing. The visit concluded with a stimulating discussion and valedictory session led by Mr. Azmera Balu, providing participants with a comprehensive overview of the workshop's key learnings. Throughout the workshop, participants acquired invaluable knowledge on polymer testing protocols aligned with ISO, BIS, and NABL standards. Furthermore, they gained insights into critical topics such as single-use plastics and the principles of plastic waste management. From molding to waste management, the workshop equipped students with the necessary tools and know-how to navigate the complex world of polymers responsibly.

GVSET's Department of Civil Engineering Partners with Manav Seva Trust Rajasthan for Successful Waste Management Awareness Program

Jaipur Gears Up for Waste Management with GVSET, Trust

The Department of Civil Engineering at GVSET, in collaboration with NGO Manav Seva Trust Rajasthan, orchestrated a highly successful "Awareness Program on Waste Management" on March 2, 2024, at the Godavari Seminar Hall. Dr. Kaushal Satyarthi, MD of Manav Seva Trust Rajasthan (NGO), delivered an enlightening keynote speech, sharing invaluable insights on waste management strategies and their pivotal role in environmental conservation. The seminar aimed to raise awareness among students and faculty members about sustainable waste

management practices. The event garnered active participation and engagement, with attendees

contributing to meaningful discussions on environmental sustainability.

Gyan Vihar School of Pharmacy Hosts Environment Awareness Session

On March 20, 2024, the Gyan Vihar School of Pharmacy organized a significant event focused on environmental awareness. The session aimed to educate students about critical environmental issues and cultivate a sense of responsibility towards nature. The event included presentations, discussions, and hands-on activities, highlighting

facing the planet and promoting sustainable practices. Students gained insights into conservation initiatives and learned practical steps to address environmental degradation. The session emphasized actionable strategies for minimizing ecological footprints, empowering students to contribute to environmental stewardship.

Suresh Gyan Vihar University's School of Education Empowers Educators Through Communication Seminar

Suresh Gyan Vihar University's School of Education recently conducted a seminar titled 'Empowering Educators: Building Bridges Through Communication.' Led by Dr. Shailja Dubey, Assistant Professor, and organized by Dr. Shruti Tiwari, Principal of the School of Education, the event aimed to equip educators with effective communication tools. Featuring Dr. Mamta Bhatia, Senior Regional Director of

IGNOU, Jaipur, as the keynote speaker, participants gained insights on fostering meaningful communication in educational settings. Through interactive sessions, attendees acquired practical strategies for promoting dialogue and collaboration. The outcomes include heightened awareness of communication dynamics and strengthened connections within the educational community.

International School of Business Management Organizes Educational Industrial Visit to "Hastkala"

Harnessing Solar Power: GVSET and SGVU Illuminate the Path with Latest Insights

On March 20th, 2024, the International School of Business Management arranged a significant industrial visit to "Hastkala" from 9:30 AM to 11:00 AM, with the aim of providing students with practical exposure to the intricacies of furniture manufacturing. The visit offered students an invaluable opportunity to witness firsthand the precision and artistry involved in crafting each piece of furniture. Exploring the advanced manufacturing processes employed by Hastkala sheds light on the complexities of the industry, enriching the students' understanding of global trade and craftsmanship

The visit, attended by a total of 32 students, proved to be highly insightful, allowing the participants to deepen their appreciation for the meticulous craftsmanship and dedication exhibited by the artisans at Hastkala. The fusion

of traditional techniques with modern manufacturing methods left a lasting impression on the students, enhancing their comprehension of the multifaceted nature of the furniture manufacturing sector.

Suresh Gyan Vihar University's 'Utsav Exuberance' Shines Bright

Students Engage in Friendly Competition to Showcase Their Talents

Suresh Gyan Vihar University beamed with vibrancy as it hosted its annual extravaganza, 'Utsav Exuberance', on March 18th and 19th, showcasing a kaleidoscope of talent and fervor. The event unfolded with an exuberant welcome by Professor T.K. Jain, Dean, ISBM, who kindled the spirits of guests and students alike, setting the stage for a memorable celebration. The esteemed gathering was graced by the presence of the Vice Chancellor, Honourable Arunansu Haldar, whose address underscored the importance of extracurricular engagement in shaping well-rounded

individuals. Emphasizing holistic development, he encouraged students to actively participate in diverse activities to hone their skills and broaden their horizons. Distinguished guests lent their wisdom to the occasion, with Professor P.K. Sharma from Rajasthan University and Professor Rajeev Bhargav from ARSTI among the luminaries present. Professor Bhargav emphasized the need for specialized skills in today's global landscape, stressing the importance of expertise in one's chosen field. Echoing similar sentiments, Professor Sharma highlighted the transformative power of sports in fostering leadership qualities and the overall development of an individual. The extravaganza

unfolded with a plethora of competitions, including the Creative Blue Rangoli and Tech Fiesta Brand Recall Challenge, captivating participants and spectators alike. These competitions added a dash of charm and excitement to the

festivities, reflecting the diverse talents nurtured within the university's vibrant community. As the event unfolded, participants eagerly showcased their skills, with numerous competitions scheduled for March 19th, promising a

continuation of the celebration of talent and creativity. 'Utsav Exuberance' serves as a testament to Suresh Gyan Vihar University's commitment to nurturing holistic development and fostering a culture of excellence amongst its students.
