## SGVU Unveils Strategic Vision at Semester Commencement

### Semester Commencement Meeting Highlights Achievements and Future Plans

Suresh Gyan Vihar University held a comprehensive semester commencement meeting on July 3rd, 2024, at the Kalindi Auditorium. The event provided a platform to share the university's achievements and outline its strategic direction for the upcoming semester. The meeting commenced with a traditional Saraswati Puja, followed by a warm welcome to dignitaries. Vice-Chancellor Dr. Arunansu Haldar presented a detailed report on the university's accomplishments, including academic achievements, research breakthroughs, and successful collaborations. Hon'ble Chairman, Mr. Sunil Sharma, emphasized the importance of research, innovation, and collaboration among faculty members. He highlighted the university's journey of NAAC A grade to A+ grade, attributing the success to the collective efforts of the entire team.

Chief Mentor Dr. Sudhanshu Sharma underscored the significance of a strong student-teacher relationships and the need for faculty to focus on quality

teaching and research to enhance student placements. The university leadership outlined strategic plans for the upcoming semester, emphasizing growth, diversity, and innovation.

Opportunities for national and international partnerships were also highlighted. The meeting concluded with

a renewed sense of purpose and commitment among the faculty to strive for academic excellence and contribute to the university's continued growth.

## Orientation Program Sets Students Up for Success

### Comprehensive Sessions Cover Academic, Career, and Personal Development

Jaipur, July 15th, 2024: Suresh Gyan Vihar University (SGVU) successfully conducted an orientation program for its Semester III, V, and VII students. The program aimed at welcoming students back to campus and equipping them for the upcoming semester. The day-long event featured a series of informative sessions covering academic guidelines, career development, and essential life skills. Students were introduced to the university's resources and support systems and were encouraged to

participate actively in campus life. The program also included interactive sessions on body language, time management, and goal setting. These sessions aimed to enhance students' personal and professional development. The university's commitment to holistic student development was evident in the comprehensive nature of the orientation program. By providing students with essential information and guidance, SGVU has laid a strong foundation for a successful academic journey.

## Faculty Development Takes Center Stage at SGVU

Jaipur, July 16th, 2024: Suresh Gyan Vihar University, recently concluded a comprehensive three-day faculty orientation program aimed at enhancing teaching and research capabilities. Held from July 4th to 6th, the program brought together the university's faculty for insightful sessions and workshops. Eminent experts, including Dr. Ajay Kumar Singh on the National Education

Policy, Dr. Nagendra Swarnkar on Quality Teaching and Academic Progress, Ms. Jasbeen Chawla on Body Language in Communication, Mr. Gagan Gagger on Time Management and Goal Setting, Dr. Umesh Batra on Career Development, and Dr. Shruti Tiwari on Effective Lesson Planning, shared their expertise. The program fostered a

collaborative learning environment, encouraging faculty members to exchange ideas and best practices. Suresh Gyan Vihar University commitment to faculty development is evident in this initiative, as the university aims to elevate the overall learning experience for students.

## University's Commitment to Safety Highlighted in Panel on Ragging, Discrimination, and Harassment

Suresh Gyan Vihar University took a significant step towards fostering a safe and inclusive campus environment by hosting a panel discussion on ragging, discrimination, and sexual harassment. The event, organized by the Internal Complaint Committee (ICC), Anti-Ragging Committee, and Dynamic Student Council, brought together experts and students to address these pressing issues. Distinguished panelists, including Ms. Pushpa Gidwani from "Nai Bhor" NGO, Prof. Dr. T.K. Jain, and Dr. Jyoti Gaur, shared their insights and expertise on preventing and addressing these challenges. The session encouraged open dialogue and fostered a deeper understanding of the issue. By emphasizing the importance of reporting, support systems, and creating a culture of respect,

the university reaffirmed its commitment to the well-being of its students and staff. By addressing these challenges, the session encouraged open dialogue and fostered a deeper understanding of the issue.

By emphasizing the importance of reporting, support systems, and creating a culture of respect, the university reaffirmed its commitment to the well-being of its students and staff.

## Future-Ready Skills: SGVU Focuses on Salesforce and Cloud Computing

Suresh Gyan Vihar University (SGVU) hosted a transformative session titled "Careers in Salesforce and Cloud Computing" on July 11th, 2024, at the Kalindi Auditorium. The event, organized by the Training and Placement Cell, brought together industry leaders and aspiring professionals for an insightful exploration of the dynamic Salesforce and cloud computing landscape. Renowned industry experts shared their journeys and imparted valuable wisdom on leadership, success, and career growth. Students had the opportunity to engage in interactive discussions with these professionals, gaining invaluable insights into emerging trends and challenges in the industry.

## Students to Gain Practical Insights into Farming Challenges and Socio-Economic Conditions of Rural Areas

### From Classroom to Farm

A program aimed at equipping undergraduate students with practical agricultural knowledge and entrepreneurial skills has been launched. The program seeks to provide students with hands-on experience in rural settings, fostering a deeper understanding of agricultural challenges and opportunities. Through immersive exposure to rural life, students will gain insights into the socio-economic conditions of farmers, learn to diagnose crop problems and develop effective solutions. The program also emphasizes the development of communication and problem-solving skills, essential for future agricultural leaders. The initiative aims to cultivate a new generation of agricultural entrepreneurs capable of driving

sustainable development in rural communities.

## Holistic Development Highlighted in University's Soft Skills Training Session

### Empowers Students with Essential Soft Skills

Jaipur, July 24th, 2024: Suresh Gyan Vihar University organized a comprehensive skill enhancement session on July 24th to equip students with essential soft skills for personal and professional growth. The event, held at the Kalindi Auditorium, featured renowned soft skills trainer Ms. Anindita Roy as the keynote speaker. The session focused on

enhancing communication, leadership, time management, and teamwork skills. Ms. Roy's engaging presentation and interactive exercises provided valuable insights and practical tips to the students. The university's commitment to holistic student development is evident through initiatives like this, which aim to equip students with the necessary skills to succeed in the dynamic world.

## Expert Explores Geospatial Technology for Disaster Management at Jaipur University

Jaipur, July 23rd, 2024: Suresh Gyan Vihar University hosted an enlightening expert talk on the critical role of geospatial technology in disaster management and sustainable development. Dr. Tauseef Ahmad, an expert from Sakarya University, Turkey, delivered a comprehensive presentation on the topic. The event, organized by the university's Center for Climate Change

and Water Research, was held on July 23, 2024, at the Charles Duke Hall. Dr. Ahmad emphasized the importance of utilizing advanced geospatial tools for effective disaster response and mitigation strategies. The talk generated significant interest among students and faculty, highlighting the growing recognition of the field's potential to address global challenges.

## Hotel Management Students Gain Insights at Parle-G Factory

Neemrana, Rajasthan – July 28th, 2024: Students from the School of Hotel Management of Suresh Gyan Vihar University embarked on an enriching educational excursion to the renowned Parle-G factory in Neemrana. The visit offered a unique opportunity for aspiring hospitality professionals to gain first-hand insights into large-scale food production processes. The students explored the various

stages of biscuit manufacturing, from raw material selection to packaging and distribution. The factory's emphasis on quality control left a lasting impression on the students. The visit proved invaluable in providing students with a practical understanding of the food industry, complementing their theoretical knowledge. Such experiences undoubtedly contribute a lot to their future careers in the Hospitality Sector.
